IKHLAQ KHATTAK

FACULTY SPONSOR

ADDRESS

With immense pride and enthusiasm, I welcome you all to our eagerly awaited competition. The inspiration behind this event comes from our visits throughout the years to renowned universities worldwide. Specifically, engineering universities like our own. These experiences have fueled our dream to host this competition on our own grounds, showcasing

our exceptional innovation. Organizing an event of this magnitude comes with its challenges, such as securing sponsorships or financial budgets. But, I am proud to announce that we have successfully navigated these hurdles through meticulous planning and design adjustments, we have managed to reduce costs without compromising safety.

My message to all the teams competing is encouragement and anticipation. This event is more than just a competition; it is an opportunity to interact with esteemed faculty members, judges, and industry professionals. Thank you, and best of luck to all participants.

UNITED TYRE'S SPONSORSHIP

United Tyre played a crucial role as a key sponsor of the Piston Cup. Their support was instrumental in ensuring the success of the event. They helped in creating an atmosphere where innovation and competition thrived.

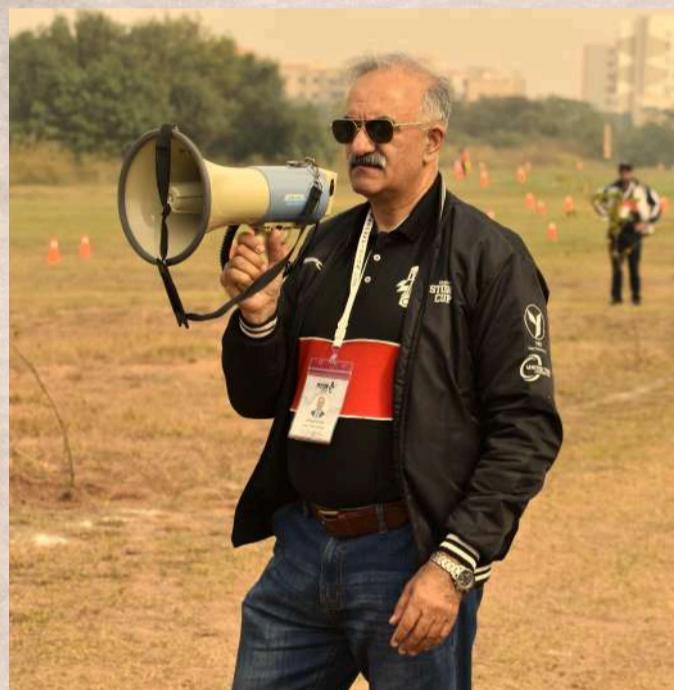

Judges inspecting the off-road buggy, evaluating design, engineering, and safety features. With clipboards in hand, they carefully award marks, determining the team's fate in the competition.

Presenting United Tires as our official sponsor! Their tires are the perfect match for our high-octane event, where speed and innovation collide.

"Attention all drivers!" The faculty sponsor, holding a megaphone, announced the advent of the final stage of the race. With the red cones placed around the ground, the track was set for the race.

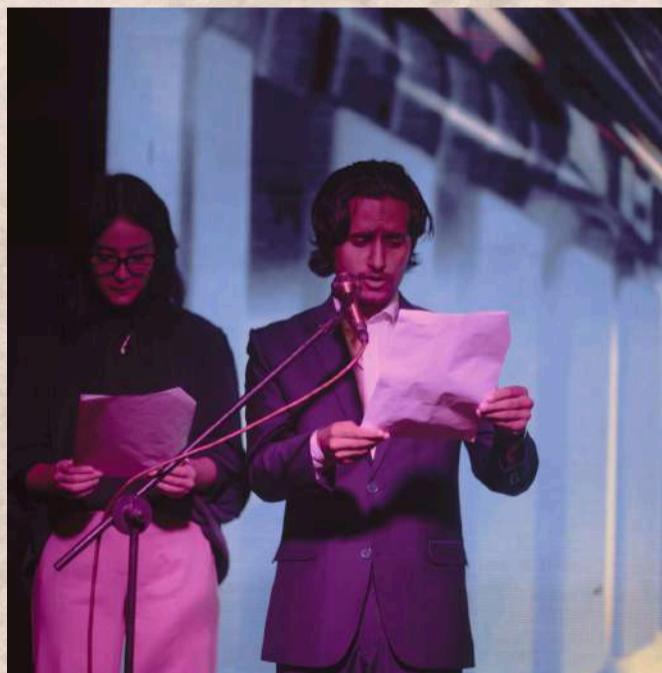

As the final stage rolled off, a member from the SPC team checked with the drivers at the beginning of the race and fixed their helmets. Safety takes precedence in all racing events. The drivers sat confident in their ability to drive. Confidence is key to winning any race.

A buggy waited at the starting line, its engine desperate to roar to life. The team surrounding it buzzed with excitement as the drivers prepared, waiting for the go signal.

A theme dinner was organized to honor the participating team and the organizing committee of SMME Piston Cup'23. This dinner served as a get together and an opportunity to unwind before the Main Event.

Faculty sponsor Ikhlaq Khattak handed out certificates to the participants. He also applauded the organizing committee for carrying out the event skillfully.

THE 'R' IN WINNER STANDS FOR RUNNERS-UP!

In a thrilling display of skill, determination, and sportsmanship, we proudly celebrate the achievements of our exceptional runner-up teams! With their outstanding performances, Team Markhor and Team Wild Wheelers have secured their well-deserved titles as first and second runners-up!

By showcasing camaraderie, perseverance, and a relentless drive to push boundaries, Team Markhor and Wild Wheelers remind us that success is not only about winning but also about the journey, the learning, and the growth that comes with it.

As we applaud these remarkable teams, we also extend our gratitude to all the participants who have contributed to making this competition a resounding success. Each team's unique approach and outstanding performance made SPC a more memorable and thrilling experience for all!

'DAZE OF THUNDER' REJOICE OVER THEIR COMPETITION

Months of hard work culminated in a remarkable achievement. Each team member poured their heart and soul into their role. The driver, cool-headed and lightning-fast, expertly maneuvered through challenging terrain. Behind the scenes, the communication team orchestrated flawless strategies, ensuring seamless coordination amid the race's chaos. Meanwhile, the engineers pushed the boundaries of innovation, refining every detail of the offroad racecar to ensure it performed at its peak. As the dust settled and cheers erupted from the stands, their dedication and effort paid off—the SMME Piston Cup'23 belonged to team Daze of Thunder. This victory wasn't just about winning; it embodied the power of teamwork, determination, and the exhilaration of pushing the limits in motorsport.

About

the president

Last year's SMME Piston Cup was an incredible experience. The roar of engines, the gleam of polished cars, the excitement and enthusiasm of all the teams as they competed for the top spot was truly exhilarating.

This year, we're taking it to the next level ensuring there's something for everyone. We kick started the event with a meaningful initiative - a ration drive setting a positive start. Moreover, we're also enhancing the experience for participants including better facilities, more interactive elements and greater opportunities for spectators to enjoy aiming to create an atmosphere that's not

just about competition, but also about community building and celebration. Last year's success was a result of hard work, dedication, and a passion for excellence. Being the president of the SMME Piston Cup, this year, I'll make sure this year's event is an unforgettable experience for everyone involved.
